

## **Annual Customer Do-Not-Call Notification**

To address consumer concerns about unwelcome telemarketing calls, the Federal Communications Commission (FCC) and Federal Trade Commission (FTC) have established a national Do-Not-Call Registry. The registry applies to all telemarketers (with the exception of certain non-profit and political organizations) and covers both interstate and intrastate telemarketing calls. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

You can register your phone number for free. Telephone numbers on the Registry do not expire. You may remove your name and number from the list at any time by calling the phone number below. The Do-Not-Call Registry will not prevent all unwanted calls. It does not cover the following:

- Calls from organizations with which you have established a business relationship;
- Calls for which you have given prior written consent;
- Calls which are not commercial or do not include unsolicited advertisements;
- Calls by or on behalf of tax-exempt non-profit organizations.

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry at no cost by telephone or on the Internet. To register by telephone, consumers may call 1-888-382-1222. For TTY call 1-866-290-4236. You must call from the phone number you wish to register. You may also register by Internet at [www.donotcall.gov](http://www.donotcall.gov). Inclusion of your telephone number on the national Do-Not-Call Registry will be effective the next day. Telemarketers have up to 31 days to get your phone number removed from their calling lists.
